Surasura Srikanth		
State	Andhra Pradesh	
Qualification	B.Tech, Sree Vidyaniketan Engineering College, Tirupati, Andhra Pradesh	
Brief profile	<p>Srikanth is a technology enthusiast from Kadapa, Andhra Pradesh and has completed his graduation in Electrical and Electronic engineering in 2019. He started his career as a software developer intern in a startup company however, lost his job during the pandemic. He didn't let the setback affect him and worked hard to land a job as a Sales and Operations Associate with BYJU's, one of the leading start-ups in the Ed-Tech space in India. Over the course of time, he has developed good technical skills in computer languages and foresees a future in the field of technology.</p> <p>Preferred sector: Technology, Sales and Marketing Preferred languages: Hindi, English, Telugu Tribe: Yerukala</p> <p>"I want to join the GOAL program to learn various skills which are a prerequisite to become a successful entrepreneur and a leader. I am looking forward to the program and the various opportunities to connect with changemakers through webinars etc."</p>	

Thokala Kesavulu		
State	Andhra Pradesh	
Qualification	Master's Degree, Krishna University, Andhra Pradesh	
Brief profile	<p>Kesavulu is a young and dynamic professional working with Vasavya Mahila Mandali as a project coordinator. He wants to be a leader and set an example for people of his community through his work and knowledge. He has strong faith in the government and its machinery and owes his success to the relentless efforts of his father.</p> <p>Preferred sector: Agriculture, Manufacturing industries, Education, Public service</p> <p>Preferred languages: English, Telugu</p> <p>Tribe: Yerukala</p> <p>"I want to join the program to develop my skills and knowledge to become a leader in my community. I also intend to attain skills which will help me find better job prospects in the future."</p>	

Karamthot Sreedhar Naik		
State	Andhra Pradesh	
Qualification	B-Tech, NIT Tiruchirappalli, Tamil Nadu	
Brief profile	<p>Sreedhar is a Mechanical Engineering graduate from NIT Trichy, Tamil Nadu and is set to join TATA Motors as a Graduate Engineering Trainee. Hailing from a small village Pedapalli Thanda in Anantapur, Andhra Pradesh, he has worked relentlessly and has been awarded scholarships throughout his school and college life.</p> <p>Preferred sector: Agriculture, Manufacturing industries, Education, Public service</p> <p>Preferred languages: English, Hindi, Telugu, Tamil</p> <p>Tribe: Koya</p> <p>“I am looking for opportunities to enhance my skills and create an impact in the lives of people belonging to deprived tribal communities. I intend to use the GOAL platform to interact with changemakers. This program is a great opportunity for tribal students like me to gain confidence and learn various skills. I am grateful to MoTA and Facebook for initiating such a wonderful programme.”</p>	

Kranti Kumar Naik Banavathu		
State	Andhra Pradesh	
Qualification	MBA, IIM Ranchi	
Brief profile	<p>Kranti comes across as an efficient, organized and self-motivated person. His quest to become a management leader led him to pursue MBA. Currently, he is working as a sales and marketing strategist at Theoriat Services, Pune, however, he wants to become an entrepreneur in the future.</p> <p>Preferred sector: Agriculture, Commerce & trade, Education, Mining, Public service</p> <p>Preferred languages: English, Hindi, Tamil, Telugu</p> <p>Tribe: Korra Jayasree</p> <p>“I have always wanted to be an entrepreneur, however, due to financial constraints I couldn't pursue my dream in the early stage of my career. I would like to gain more experience in the areas of leadership, entrepreneurship and</p>	

	digital marketing skills. I am confident that GOAL program can provide me the right opportunity to learn all the necessary skills and will give me a chance to interact with industry leaders for useful insights.”
--	---
